FOREWARD

This report has been prepared and published in permanent form for historical purposes and as a ready reference to National Guardsmen, who were ordered to active duty during the years of 1950, 1951. It will also serve as a guide to National Guardsmen's families and Organizations advising them relative to their rights as Veterans under State and Federal Laws.

This report includes a table showing the age group of officers and enlisted men ordered into Active Service, a table showing losses after receipt of alert orders and the date of entry on active duty, and a Roster of Units not ordered into active service. Every effort has been made to assure accuracy.

INDUCTION OF NATIONAL GUARD UNITS

2. General Orders Number 197, Headquarters Fifth Army, Chicago, Illinois, dated 28 December 1950, is published for the information of all concerned:

"1. By direction of the President and the Secretary of Defense under authority conferred by the Selective Service Extension Act of 1950 (Public Law 599, 81st Congress), the following units and members thereof of the National Guard of the United States are ordered into the active military service of the United States to serve therein for a period of 21 consecutive months, or such other period as may be authorized by law, unless sooner relieved. Location and dates of entry into active military service are listed below:

UNIT	HOME STATION	EFFECTIVE DATE
All elements of the 47th Infantry Division	North Dakota	16 January 1951

2. All persons so ordered into the active military service of the United States are, from the effective dates indicated above, relieved from duty with National Guard of their respective states, territories, and the District of Columbia, so long as they shall remain in the active military service of the United States, and during such time shall be subject so such laws and regulations for the government of the Army of the United States as may be applicable to members of the Army whose permanent retention in the active military service is not contemplated by law.

3. By direction of the President each officer and warrant officer of the National Guard, appointed in the National Guard, who shall have been Federally recognized or examined and found qualified for Federal recognition by a duly constituted board of officers, and shall have been assigned to a position vacancy for a commissioned officer or warrant officer in a unit ordered to active duty under this order prior to the effective date of entry into the active military service, who does not hold an appointment in the National Guard of the United States in the same grade and arm or service in which he has been most recently examined and found qualified for Federal recognition by a duly constituted board of officers, is tendered appointment in the National Guard of the United States in the same grade and arm or service in which he shall have been most recently Federally recognized or examined and found qualified for Federal recognition. Each person so appointed will forward oath of office with individual report prescribed by Paragraph 13, Special Regulations 130-10-1. Service numbers will be assigned by the Adjutant General upon receipt of report of entry into the active military service of the United States; except that if the individual is a former officer of the Army, the service number previously assigned to him will be used and entered on all records.

4. Department of the Army will issue reorganization directives for units concerned at earliest practicable date after arrival at training station.

5. Individual and organizational supplies and equipment now on hand will accompany the units upon entry into the active military service.

6. The provisions of Army Regulations 130-10 and Special Regulations 130-10-1 will be complied with."
