MEMORANDUM FOR Off Post Housing Residents United States Army Garrison  
Humphreys, Unit 15716. APO AP 96271-5716

SUBJECT: Mandatory Use of Korean Trash Bags for Off Post Residents

1. You must purchase and use Korean trash bags. It is the law. Local officials will begin enforcing this requirement more stringently in the coming days. Non compliance will result in stiff fines starting at W1,000,000 per incident.
2. The purchase of the trash bags is your responsibility, not the responsibility of the landlord or the realtor. These bags can be purchased in the Commissary and in local conveniences stores. You may not bring your trash on post to avoid this requirement.
3. As ambassadors of the United States, we each have a responsibility to follow the rules of our Korean host nation. The alliance between the city of Pyeongtaek and U.S. Army Garrison Humphreys is a strong partnership that I am proud to support.
