

CSM Brock PSA script: Enlisted Medical Corps Anniversary

Congratulations to our enlisted medical soldiers as they celebrate 127 years of faithful service to our nation.

For almost a century and a half, Soldier medics have consistently provided quality medical care to our injured, ill and wounded in times of need. Soldier medics are always there when our nation calls; ready to respond at a moment's notice, 24 hours a day, 365 days a year.

The 36,000 plus members of our enlisted medical corps are the foundation and the rock of army medicine.

They are, serving to heal...honored to serve!
