OFFICIAL SAFETY MAGAZINE OF THE U.S. ARMY

## THIS WEEK 3/5/2014

### HASTE MAKES WASTE

As aviation professionals, we all try our very best to accomplish the mission. Sometimes, this desire to produce the best results in the minimal amount of time works against us. This article highlights an instance where my desire to get the job done in the least amount of time turned into a Class C accident.

#### THE GREAT OUTDOORS

No matter what level of camping comfort you enjoy, there are always risks and hazards. A safe and enjoyable camping trip begins with proper planning. Always be prepared for the unexpected. For a safer camping experience, here are some suggestions.

#### CAUGHT IN THE SUN

As a motorcycle rider with more than 26 years of experience, I consider myself fairly seasoned. Seasoned, however, doesn't always equal smart. As human beings, we are still susceptible to simple mistakes, overconfidence and errors in judgment.

### DID YOU KNOW?

"When my wife and kids come home and find me dead, it's not going to be good."

## SAFETY FEATURE

**MOBILE DISTRACTION TEXTING**

You know not to text and drive, but does your battle buddy?

**Training, Discipline and Standards**

Training, discipline and standards are the bedrock of our Army, and as Soldiers, you've been taught what right looks like. As leaders, you have a duty and a responsibility to maintain standards in your formations. You also have an obligation to your Soldiers and their Families to manage risk and take action to correct problems. In our fight against accidental injuries and fatalities, knowledge is the weapon of choice.

## PRODUCTS & TOOLS

Mentoring can help keep Soldiers safe. Find out what you can do to protect your Soldiers with the Motorcycle Mentorship Program.

A collection of resources to aid commanders and leaders in the management of range operations and safe weapons handling.

**know the signs**

DO WHAT'S RIGHT

The **Know the Signs** campaign is designed to heighten awareness of risk factors and provide leaders and Soldiers the tools they need to address safety issues in their unit or peer group. The signs are all around. **It's up to you to recognize and act on them.**
