SUBJECT: Restoration of Post Allowance

Dear USFK Civilian Employees:

I am pleased to announce that effective 01 June 2014, the Post Allowance (PA) for Korea has been restored to the previous rate of 20%. In addition, the Under Secretary of State for Management has authorized the reimbursement of 20% post allowance for the payperiod ending 17 May 2014 and 31 May 2014.

Your help is needed to ensure an appropriate Post Allowance is in place. The Department of State agreed to conduct another Living Pattern Questionnaire (LPQ) survey which will include all US government employees. We anticipate dissemination of the LPQ survey in mid-June. All employees are encouraged to participate in the survey as the data it generates will adjust the PA rate in Korea accordingly.

You have a chance to be heard. Make it count. Thank you for all you do for USFK and in the service of our Nation.

Sincerely,
