Introduction to the Telephone Alert System

The Telephone Alert System (TAS) Service is provided by the Installation Operations Center under the direction of the Directorate of Plans, Training, Mobilization and Security (DPTMS).

When activated, it will call you directly at the telephone number that you specify to inform you of

- Changes to Road Conditions.
- Delays or Closures of the Humphreys American Schools and Child Development Center.
- Work Delays, Gate Closers.
- Barrier Plan Initiation.
- Civil Defense Drill and other Garrison Operated Exercises.
- Server Weather Conditions
