MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: US Army Garrison (USAG) Daegu Policy Letter #10, Environmental Policy

1. REFERENCES. Army Regulation 200-1, 13 Dec 2007, Environmental Protection and Enhancement
2. USAG Daegu's mission is to provide the Army the installation capabilities and services to support expeditionary operations in a time of persistent conflict, and to provide a quality of life for Soldiers & Families commensurate with their service. We are committed to minimizing any potentially adverse environmental impact that may result from our daily operations and to taking a proactive role in being conscientious stewards of the Korean lands entrusted to this garrison. In accomplishing our mission, we commit to:
 - a. Comply with applicable environmental laws, regulations and policies.
 - b. Identify and implement pollution prevention strategies where feasible.
 - c. Routinely assess our activities and services to determine the potential effect on the environment.
 - d. Pursue continual improvement of environmental management
 - e. Establish and maintaining environmental objectives and targets through Garrison Environmental Management System (EMS).
3. This policy is available to the public upon request through the Directorate of Public Works (DPW), Environmental Division, and is communicated to all persons working for or on behalf of USAG Daegu. In addition, Environmental Officers, leaders and supervisors at all levels are to ensure that copies of enclosed policy posters are posted on their organizations' bulletin boards, shops, work areas and offices, as appropriate.
4. Point of contact for this memorandum is Environmental Division, DPW at 768-7408.
