## What to Do if you have an Emergency.

Living off-post can be difficult if you have a medical emergency. The thing to remember is to remain calm.

To call for Medical Emergencies from off-post you must dial 119. This is a Korean Ambulance that will take you to the nearest Host Nation Hospital. The DOD Post Ambulance can not respond off-post.

If you live off-post you must call the Korean Fire Department. They also use 119 as the emergency number.

If you need assistance from the Korean Police then you must dial 112. The Military Police can respond off-post, from your cell phone dial 031-869-5096 and this will call the on-post 911 service line.

## MEDICAL EMERGENCY

The emergency dispatch off-post for medical and fire is 119 (Korean Police is 112); however, you can dial (02)-1339 from any landline or cell phone to reach an English-speaking emergency dispatch.

In the instance of a medical emergency, a Korean ambulance will be dispatched to take the patient to the nearest Host Nation Partnership Hospital. The DOD Post Ambulance cannot respond to off-post emergencies. For Area I, the only Host Nation Partnership Hospital is St. Mary's in Uijeongbu.

\*\*For those enrolled in TRICARE Overseas Program (TOP) Prime and are seen at a Host Nation Partner Hospital, there will be no upfront costs.

\*\* For those not enrolled in TOP Prime, or if you are seen at a non-partner host nation hospital, the costs for medical treatment are paid upfront. Afterwards, file your claim and receipts with TRICARE for partial to full reimbursement (based on your TRICARE plan) at DSN 05033-36-7236

\*\* For more information about TRICARE coverage plans and Host Nation Partnership Hospitals, visit <http://www.korea.amedd.army.mil/tricare>

# WELCOME

Welcome to AREA I, Korea. This geographic area includes all Army Camps North of the city of Seoul (Camps Red Cloud, Casey, Stanley, Hovey, Jackson, and those in the Western Corridor). As you will find, the communities within AREA I have a lot to offer newcomers. Of all the helping agencies in the area, the Family Morale, Welfare, and Recreation (FMWR) presents a host of venues for entertainment and activities that fit any person or family.

Under the auspices of FMWR is Army Community Service (ACS) which is located on Camp Casey –the social and family hub of AREA I. ACS offers programs and assistance to guide soldiers, civilians, retirees, and family members toward successful integration into the community. Our programs include Relocation Readiness, Information & Referral, Financial Readiness, Army Emergency Relief, Family Advocacy, Employment Readiness, Exceptional Family Member Program, New Parent Support, Victim Advocacy, and the Army Volunteer Corps. Within our facility (building 2451) are also the Women, Infants and Children (WIC) program, American Red Cross, and the Military Family Life Consultant program (MFLC). Descriptions for each program are located in the various tri-folds and handouts in the Welcome Packet.

You will also find a list of Recommended Family Member In-Processing actions. This extensive list will guide you through the important first steps of in-processing and ensures you are able to use the Commissary & PX (both stores require a “Ration Card”), obtain a USFK driver’s license, and register and drive your car. These and other in-processing actions will smooth your transition into the community and free you up for the adventures that await you in Korea. ACS is the one source that can guide you to all soldier and family support agencies in AREA I. Please be assured that the ACS team will assist you and your family members during their stay in Korea. Welcome to Korea...Land of the Morning Calm!
