

The Mission

The mission of the National Safety Council is **to save lives by preventing injuries and deaths at work, in homes and communities, and on the roads through leadership, research, education and advocacy.** NSC advances this mission by partnering with businesses, government agencies, elected officials and the public in areas where we can make the most impact – on issues such as distracted driving, teen driving, workplace safety, prescription drug overdoses and Safe Communities.

Call for Nominations

Nominations accepted through January 15, 2016

This year, a new chapter begins for the Green Cross for Safety® award as it becomes a celebration of safety at work, in transportation and in homes and communities. Honorees will be recognized in the following three categories:

Safety Excellence

Recognizing a corporation, coalition or organization that, through unrelenting pursuit of safety, created a life-saving and injury-preventing safety solution. Results must demonstrate benefit to the greater good.

Safety Innovation

Recognizing an individual, corporation, coalition or organization that has achieved evidence-based success by taking an innovative approach to solving a long-held safety challenge.

Safety Advocate

Recognizing an individual who has made a significant personal impact on a safety issue to raise awareness and prevent further injuries and deaths.

Judging Process

The top quartile of all applicants will be forwarded to the Green Cross review committee for consideration. The committee will be made up of individuals representing all disciplines of safety. Committee members may include business leaders, safety advocates, researchers and NSC volunteers, board members, delegates and trustees.
