OFFICIAL SAFETY MAGAZINE OF THE U.S. ARMY

THIS WEEK 1-5 FEB 2016

ALL THE RAGE

I am a pretty calm guy. I find that getting worked up about things only tends to make matters worse. That's not to say I don't enjoy getting other people riled up, particularly those who are being jerks. One group of folks I especially liked messing with was road rage drivers. I eventually learned, however, that could be dangerous.

GIVING THE FINGER

The day started out normally as I left for work. When I arrived, I called a friend and wished her a happy anniversary. Little did I know this would also become an anniversary for me. Unfortunately, it's not one I care to celebrate.

CLEARED FOR A NEAR MISS

It should have been just another traffic pattern entry under night vision goggles to end the mission. However, it ended up being a strong lesson for every member of the crew.
