POLICY LETTER #4-2

IMRD-SO

30 NOV. 2012.

MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Water Safety in USAG Red Cloud and Area I, Korea

1. Reference AK 385-10 Chapter 6, Water Safety; Garrison Commanders will publish off limits areas in their areas of responsibility (AOR).
2. Effective immediately, in USAG-RC and Area I, all natural streams, lakes, reservoirs, rivers, ocean beach areas, or other natural bodies of water for activities such as fishing, sunbathing, wading, swimming, bathing, diving, boating, skin/scuba diving or ice skating are on limits. Other areas that are on limits are hotel swimming pools, ice skating rinks, and other commercial recreational facilities, if safety personnel are on duty.
3. Personnel using any of the facilities or areas listed above must understand that they do so at their own risk. Preventive medicine and safety specialists do not monitor these off-post areas and facilities. Any person or organization finding a specific hazard or body of water unsuitable for the above activities will report this to the USAG-RC/Area I Safety Office.
4. Personnel participating individual activities or in-group tours sponsored by various organizations in other areas within the ROK need to check for their specific restrictions.
5. The following safety measures should be followed:
 - a. Always use risk management in your on and off duty activities.
 - b. Use the buddy system even on family activities.
 - c. Alcohol should not be consumed prior to or during the water activity.
 - d. Ensure exposure to the sun is kept to a minimum.
 - e. Personnel should consider water temperature when swimming or skin/scuba diving.
 - f. Where ever possible use recreational facilities that have a life guard.
6. Please visit USAG-RC/Area I Safety share point, <http://redcloud.korea.army.mil/Safety>, and have related information.
