**Suicide Squad (2016) Rated R, 130 minutes**

It feels good to be bad...Assemble a team of the world's most dangerous, incarcerated Super Villains, provide them with the most powerful arsenal at the government's disposal, and send them off on a mission to defeat an enigmatic, insuperable entity. However, once they realize they weren't picked to succeed but chosen for their patent culpability when they inevitably fail, will the Suicide Squad resolve to die trying, or decide it's every man for himself?

**War Dogs (2016) Rated R, 114 minutes**

Based on a true story, War Dogs follows two friends in their early 20s living in Miami Beach during the Iraq War who exploit a little-known government initiative that allows small businesses to bid on U.S. Military contracts. Starting small, they begin raking in big money and are living the high life. But the pair gets in over their heads when they land a 300 million dollar deal to arm the Afghan Military—a deal that puts them in business with some very shady people, not the least of which turns out to be the U.S. Government.

**Alice Through the Looking Glass (2016), PG, 113 minutes**

In Disney's Alice Through the Looking Glass, an all-new spectacular adventure featuring the unforgettable characters from Lewis Carroll's beloved stories, Alice returns to the whimsical world of Underland and travels back in time to save the Mad Hatter.

**When the Bough Breaks (2016) Rated PG-13, 107 minutes**

John and Laura Taylor are a young, professional couple who desperately want a baby. After exhausting all other options, they finally hire Anna, the perfect woman to be their surrogate - but as she gets further along in her pregnancy, so too does her psychotic and dangerous fixation on the husband. The couple becomes caught up in Anna's deadly game and must fight to regain control of their future before it's too late.

**Miss Peregrine's Home (2016) Rated PG-13, 127 minutes**

Based upon the best-selling novel, comes an unforgettable motion picture experience. When Jake discovers clues to a mystery that spans alternate realities and times, he uncovers a secret refuge known as Miss Peregrine's Home for Peculiar Children. As he learns about the residents and their unusual abilities, Jake realizes that safety is an illusion, and danger lurks in the form of powerful, hidden enemies. Jake must figure out who is real, who can be trusted, and who he really is.

**Birth of a Nation (2016) Rated R, 120 minutes**

Set against the antebellum South, "The Birth of a Nation" follows Nat Turner, a literate slave and preacher, whose financially strained owner, Samuel Turner, accepts an offer to use Nat's preaching to subdue unruly slaves. As he witnesses countless atrocities - against himself and his fellow slaves - Nat orchestrates an uprising in the hopes of leading his people to freedom.
