

They do not sympathize with mob rule. They, like the rest of the nation, have proved in two great wars their readiness to sacrifice for America.

A foundation of our American way of life is our national respect for law.

In the South, as elsewhere, citizens are keenly aware of the tremendous disservice that has been done to the people of Arkansas in the eyes of the nation, and that has been done to the nation in the eyes of the world.

At a time when we face a grave situation abroad because of the hatred that Communism bears toward a system of government based on human rights, it would be difficult to exaggerate the harm that is being done to the prestige and influence, and indeed to the safety, of our nation and the world.

Our enemies are gloating over this incident and using it everywhere to misrepresent our nation. We are portrayed as a violator of those standards of conduct which the peoples of the world united to proclaim in the Charter of the United Nations. There they affirmed "faith in fundamental human rights and in the dignity of the human person" and did so "without distinction as to race, sex, language or religion."

And so, with confidence, I call upon citizens of the State of Arkansas to assist in bringing to an immediate end all interference with the law and its processes. If resistance to the Federal Court orders ceases at once, the further presence of Federal troops will be unnecessary and the City of Little Rock will return to its normal habits of peace and order and a blot upon the fair name and high honor of our nation in the world will be removed.

Thus will be restored the image of America and of all its parts as one nation, indivisible, with liberty and justice for all.
