e. No action will be taken against Raymond Robinson (white student) who was reported as having spit on two colored students on 13 February 1958.

f. Upon the release of the students at Central High School at 1530 hours, Central Standard Time, 14 February 1958 a snowball throwing developed among the students. As the game developed, several students were observed throwing stones and gravel. Primary targets were the cars of the parents of colored students. Two police cars were called to the scene by school officials, but the policemen made no effort to stop the disturbance. School officials have no knowledge of any injuries.
